

Little Black Dress

A fiery cocktail of pure listening pleasure.

Praised as one of Perth's most professional and versatile vocal groups, Little Black Dress has delighted audiences with their cool blend of style and talent at an array of corporate functions, parties, weddings, sundowners, balls, cocktail nights, award dinners and sporting events.

With voices that blend like gin and tonic, the girls from Little Black Dress have inflamed fans with their smooth, sweet harmonies and sheer vocal power.

Their comprehensive repertoire includes songs from the past four decades and today and their performance record reads like a visitor's guide to Perth's most prestigious and popular venues and events.

Each performance can be tailored to suit the respective audience, be it a mix of classic pop and rock for parties and dinner dances to laid-back jazz, ballads and smoky blues for cocktail functions, client parties and sundowners.

Little Black Dress can perform as the event's main entertainment, a classy dinner cabaret act or a vibrant, themed floorshow. A range of options are available, each of which can be customised to suit client need.
